UI/UX DESIGN

FULL STACK
DEVELOPMENT

YOUR TECH FRIEND

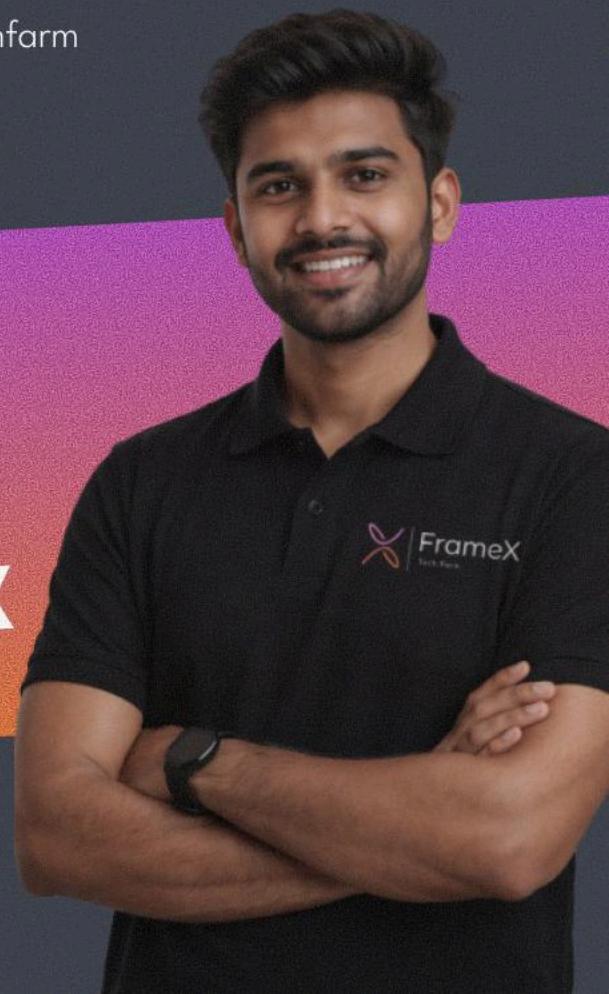

- **FrameX Tech Farm** Is A Platform Where We Provide Both Software Services And Skill-Based Online Courses In UI/UX Design And Full Stack Development.
- We Support College Students, Freshers, And Even School Students To Learn And Grow In The Tech Field.
- We Believe Learning Becomes Easier When It Feels Like A Friend Explaining It Rather Than A Teacher. That's Why We Act As Your Tech Friends — Guiding You Step By Step In A Simple And Practical Way.
- Our Focus Is Not Just Teaching, But Helping You Understand Clearly, Build Real Projects, And Gain Confidence.

- CRUD Operations
- Connecting Frontend & Backend

Smart Development with AI

- Use AI tools for faster coding
- Debugging & optimization
- Code assistance & productivity

What You'll Achieve

Projects

Resume Building Support

Coding Practice & Challenges

Portfolio Creation

Project Presentation Skills

COURSE PRICING

Our courses are designed to be affordable and accessible for everyone.

Many institutions charge ₹30,000+ for similar courses,
but we focus on providing high-quality learning at a student-friendly cost.

Pricing starts
from **₹5000**

Based on course level and
duration

**Easy EMI
Option
Available**

Flexible monthly installments

No heavy one-time payment

Learn now, pay gradually

**Smart
Investment
for Your
Future**

we look forward to helping you
build your skills and grow your
career.
